

Policy: Safety and Security	Number: 510.01
Date Revised: 09-01-17	Supersedes: A-01
Cross Reference: <i>Alabama Community College System Policy 510.01</i>	Issued: 09-01-96

Education requires a safe environment for success. Ingram State Technical College is strongly committed to the safety of its students and employees. Each instructional site shall strive to provide a safe environment for students, faculty, staff, and other campus visitors.

All Ingram State Technical College instructors shall:

- A. conform to the highest possible safety standards;
- B. endeavor to maintain and promote safety consciousness among students;
- C. see that all safety guards are maintained on equipment. Any guard that is not intact should be clearly marked "Out of Order,"
- D. ensure that appropriate safety instruction is a part of every instructional unit;
- E. be aware of the Alabama law regarding eye protection and ensure that all of this Institutions' programs remain in compliance.

For more information, see the ***ISTC Safety Plan and Operations Manual***.
