

Policy: Program Establishment or Discontinuation	Number: 714.05
Date Revised: 09-01-17	Supersedes: H-21
Cross Reference: N/A	Issued: 04-22-87

In evaluating whether or not a program should be added or dropped, the following criteria are to be used:

1. Expressed interest by current and prospective students; (enrollment or potential enrollment);
2. Recommendations from instructors, advisory committees, and institutional advisory committees reflecting current and future job market conditions;
3. Statewide survey data;
4. Alabama Department of Corrections recommendations; and,
5. Availability of adequate funding.

Any process of establishment or discontinuation of a program at Ingram State Technical College will comply with all applicable procedures, policies, and regulations of the Alabama Community College System and the Alabama Commission on Higher Education.
