Ingram State Technical College is committed to ensuring the safety of its students, faculty, and staff. The practice of safety is an integral part of all instruction at ISTC. The College has a comprehensive Safety Plan and Operational Manual, which is evaluated and updated periodically. Copies are available at all instructional sites in the Office of the Center Director. Each program area has a first-aid kit for the treatment of minor injuries. Major health concerns are the responsibility of the Alabama Department of Corrections. Smoking is not permitted except in specifically-designated areas. Employees are not permitted to provide any medication to a student.
