### Industry Certifications

EPA 608 Refrigerant Handling	5
Microsoft Office Specialist	26
MSSC Certified Logistics Associate	36
MSSC Certified Logistics Technician	29
OSHA 10-hour General Safety	60

### The ISTC Foundation

The ISTC Foundation helps the College provide opportunities for students beyond the scope of institutional funding. Foundation funds also help qualified graduates with tools and equipment needed begin work, and offset costs of job-related licensure and certification. In 2019-20 the foundation responded to requests from 61 ISTC graduates. The foundation is supported through fundraising activities, grants and employee contributions. For more information, contact Dr. Brannon Lentz at 334-514-8607 or [brannon.lentz@istc.edu](mailto:brannon.lentz@istc.edu).

### Funding

Ingram State Technical College receives a yearly allocation from the Alabama legislature, and relies heavily on state and federal grants to accomplish its mission.

Legislative Appropriation	\$8,036,662
Federal Grants	\$1,574,447
State Grants	\$3,849,388

Ingram State Technical College fosters student success through:

- Co-requisite support classes and academic tutoring;
- Industry certification and licensure including NCCER, MSSC, EPA, OSHA 10, Microsoft Office Specialist and Swift coding;
- Work-based (live work) learning opportunities and apprenticeship programs; and
- Student enrichment programs including Phi Theta Kappa, National Technical Honor Society, Student Ambassadors and Innovators.

A total of 378 Ingram State graduates joined Alabama's workforce in 2019-20. To learn more about hiring an ISTC graduate, contact our job placement team at 334-514-5070.

Established by the Alabama legislature in 1965, Ingram State Technical College serves incarcerated students exclusively.

Ingram State offers educational opportunities including 18 credit and non-credit technical training programs, industry certification, adult education, GED preparation and testing, life skills training and job placement assistance.

Ingram State serves students from eight correctional facilities across central Alabama

- Alabama Therapeutic Education Facility
- Bibb Correctional Facility
- Donaldson Correctional Facility
- Elmore Correctional Facility
- Frank Lee Community Work Center
- Red Eagle Community Work Center
- Staton Correctional Facility
- Tutwiler Prison for Women
